

**Financial Analyst
Wheatfromchaff Ltd**

JOB ADVERTISEMENT

Unique opportunity for Financial Analyst to join disruptive start-up behind www.crowdrating.co.uk, based in the heart of Somerset.

You would be one of a team of analysts at the heart of our proprietary ratings process, compiling data from multiple sources and conducting thorough financial analysis of companies we are covering. You will participate in client meetings. You will contribute to the ongoing development of our service as part of an entrepreneurial and dynamic start-up team.

You will need to have a degree level accounting or finance qualification and some evidence of financial analysis experience and skills. Previous commercial experience desirable.

You will be self-starting, financially numerate with a strong attention to detail. You will be computer-literate with excellent spreadsheet skills and experience of database usage.

Start Date: Ongoing
Location: Somerset
Salary: £20k to £30k depending on experience
Benefits: Statutory Pension
Private Medical Cover after 12 months
Share Option scheme after 12 months
